

## Peter Hain new Work and Pensions Minister - update

Will our new Minister quickly undo the damage created by his predecessor and remove this offensive section from the CSA website or do we all set sail down this new river of shame?  
Let's see where Peters head is?

[Our update]

Well it would appear that Peters Head is Squarely on his shoulders and he can hold it high as the offensive CSA name and shame list has been removed from the CSA site. We thank you Peter Hain.

[Our update 2] Looks like Peters head was'nt squarly on his shoulders after all, Head of the Gestapo and breaks his own party rules tut tut.
